Our strategy is to build world-class competitive strengths in selected areas of operation. Music and Rental, the Group's two principal businesses, demonstrate its success.

EMI Music is one of the world's top music groups and operates in 37 countries. THORN EMI Rental has operations in 19 countries and is undisputed leader in its field.

Lighting, Security & Electronics and HMV, the Group's other businesses, continue to develop their international markets.

Together, these businesses are present in 38 countries and employ over 51,000 people. Last year they generated a total turnover of almost £4,000 million.
